PROPHECY— The Punishment Of My Canada

“I rule, My son, and the wicked sinners are Mine! I will punish all the wicked of the Dominion of Canada, for they have forsaken Me long ago, going after the ways of the world and Satan, which is his dominion. Why don’t My people obey Me, My son? They want revival, My son, but they will have none, for they have forsaken Me going the ways of the world, My son. I must punish, for wicked sinners and My people are one of the same in the Dominion of Canada, indistinguishable in My sight, even sudden destruction, for there are nuclear bombs embedded everywhere. Few serve Me in the Land of the North, for they are My chosen ones, chosen long ago to serve Me in a land of lawlessness and deep sin. Those I will preserve. The rest are damned in the “Christian” land of Canada. Thus says the LORD.”
